

Year 5

Summer Learning Journey

Themes running throughout this term:

Portraits, forces and space: unbalanced forces, what happens when we die? How did the Mayan civilization compare to the Anglo – Saxons.

As mathematicians, we will:

- Classify and estimate angles.
- Measure and draw angles and lines accurately.
- Calculate angles around a point and on a straight line.
- Look at 3D shapes.
- Read and plot coordinates.
- Answer problem solving questions with coordinates.
- Understand lines of symmetry.

The books we will be enjoying this term include:

- When Hitler stole pink rabbit.
- Letters from the lighthouse.
- Kaspar, Prince of cats.
- Alte Zachen.
- High rise mystery.
- Curiosity.
- Overheard in the tower block.
- The Polar bear explorers' club.

In our topics, we will:

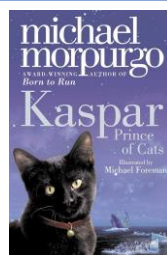

- Unbalanced forces.
- Human timeline and making connections.
- Painting and mix – media: portraits.
- Online safety.
- Cooking and nutrition: developing a recipe.
- How did the Mayan civilization compare to the Anglo-Saxons?
- Would you like to live in the desert?
- Growing and changing.

As writers, we will use:

- Noting and developing initial ideas, drawing on reading and research where necessary.
- Précising longer passages.
- Assessing the effectiveness of their own and others' writing.
- Proof-reading for spelling and punctuation errors.

As readers, we will:

- Give/explain the meaning of words in context.
- Retrieve and record information/identify key details from fiction and non-fiction.
- Summarise main ideas from more than one paragraph.
- Make inferences from text and explain with evidence from text.
- Predict what might happen from details

Year 5 Noticeboard:

Please make sure that you are completing your homework and reading five times every week.
