## New Pupil permission slips

Please read the information below and return the permission slip attached to the school office.

### Letters and messages

Our school is able to send letters and messages direct to parents via email and text message through Parentmail. This ensures you receive messages from the school in a more reliable and efficient manner (without the need to trawl through the contents of your children(s) school bags). In order to use this service, you need to complete the permission slip form attached and provide us with your email address(es) and mobile phone number(s).

### Internet access

As part of the school's ICT programme, we offer pupils **supervised** access to the internet. Various projects have proven the educational benefit of internet access which enables pupils to explore thousands of libraries, databases and bulletin boards. The children's access is filtered by our Internet Service Provider who specialise in school users and offer a comprehensive service and internet use is supervised in our school at all times.

### Photography

In order to comply with the Data Protection Act 1998 in respect of personal data, we need to ask for your consent to your child being photographed (including digital and video images) where we propose to use the images for publicity purposes. The image may be included on local media, school brochures, or in parts of the school to which the public have access to.

### School website

On occasions, we would like to use some photographs or videos of our children in the classroom environment or in a school activity e.g. school productions, sporting activities, blogs. We may also wish to use the website to publish children's work. The purpose of this is to celebrate all that is good at Lubbins Park Primary and to motivate the pupils. For this we need your permission. There will be no personal details of the children such as email addresses, home addresses or telephone numbers put on the school website.

### Local visits

Throughout your child's time at Lubbins Park Primary, we may wish to take them on a local visit within walking distance e.g. Canvey Seafront and we would like permission to cover such events during their time at the school.

**If you have any questions or queries about any of these matters, please feel free to discuss them with us via the school office.**
