Dear Parents/Carers,

Be Ready

Teaching and Learning

The staff and pupils have continued to work hard this week.

The children have applied themselves to their STAR assessments and the Year 6 children have engaged in a Mock SATs week.

Please be reminded that the children can take Accelerated Reader quizzes at home. If the score is over 85%, they will be awarded a book mark and silver stars. The children that have already gained these are very proud of them.

Covid-19 Remote Education

Please be reminded that our class teachers are posting work to your child's Google Classroom account, if they are needing to self-isolate because they have Covid-19. Your child's class teacher will also arrange to meet with them through Google Meet during their isolation period.

Year 6 SAT's Information Sessions

The Year 6 SAT's information sessions were held this week. We hope that you found them useful. If you were unable to attend, you can view a copy of the PowerPoint presentation on our website via the following link:

Be Safe

COVID Update

Please see below the most up to date guidance that has been issued by the government

Students and staff can end self-isolation period after 5 full days. Under the new rules, students who are self-isolating with COVID-19 can now end their isolation period after 5 full days.

To do so they must test negative using Lateral Flow Device (LFD) tests on both day 5 and day 6. The first test must be taken no earlier than day 5 and the second must be taken the following day. In order to return to school, your child must also not have a temperature.

Those who are still positive on their LFD tests must stay in isolation until they have had 2 consecutive negative tests taken on separate days or until they have completed 10 full days of self-isolation, whichever is earliest.

All LFD test results should be reported online at: <https://www.gov.uk/report-covid19-result>

Be Respectful

A letter will be sent out next week detailing appropriate uniform, including school shoes. Please use this guide when purchasing uniform and school shoes over the half term holiday.

Punctuality

Lubbins Park Primary Academy
Independence - Perseverance - Team Work - Compassion

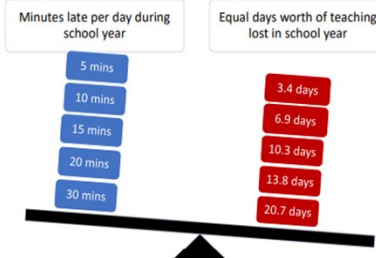

Punctuality – How does this affect children?

Late arrival to school

When your child arrives late at school, he/she misses the teacher's instructions and the induction to the lesson. Your child may also feel embarrassed at having to enter the classroom late.

Did you know how much learning children miss out on?

How can you help?

- Ensure your child arrives in time. Check with the school about opening times.
- Prepare packed lunches, school bags and breakfast items the night before.
- Make sure the alarm clock is set at a reasonable time for getting everyone up and ready.

Punctuality is important for children to start the day off well. If you need support and advice about punctuality issues contact your school.

Dinner Menu

The dinner menu for week commencing 07.02.2022 will be: **Week 3 ORANGE** from the Autumn/Winter menu.

School dinners cost £2.20 per child per day and payment should be made via Pay 360 Education Payments (was SIMS Pay).
