## Newsletter

Term: Spring Date: Friday 28th January

Dear Parents/Carers,

### Be Ready

### Be Safe

#### Year 6 SATs information

On Thursday 3<sup>rd</sup> February, we are holding a SATs information session at 9:10am and again in the evening at 5pm. Miss Carlton will go through the structure of the week, how you can support your child in the run up to the SATs and what the children will be doing in the upcoming months to prepare them.

#### Second hand uniform

Thank you to all that donated second hand uniform last term. If you do have any second hand uniform that your child has outgrown, please donate this to the office.

#### Morning Registration

It is extremely important that pupils arrive on time to ensure the register is completed accurately and that they are ready and settled to begin learning.

Should your child be late to school, please ensure you are bringing them in via the school office and signing them in on the electronic system.

#### COVID Update

**Please see below the most up to date guidance that has been issued by the government**

Students and staff can end self-isolation period after 5 full days Under the new rules, students who are self-isolating with COVID-19 can now end their isolation period after 5 full days.

To do so they must test negative using Lateral Flow Device (LFD) tests on both day 5 and day 6. The first test must be taken no earlier than day 5 and the second must be taken the following day. In order to return to school, your child must also not have a temperature.

Those who are still positive on their LFD tests must stay in isolation until they have had 2 consecutive negative tests taken on separate days or until they have completed 10 full days of self-isolation, whichever is earliest.

All LFD test results should be reported online at: <https://www.gov.uk/report-covid19-result>
