INFORMATION

COVID Update

Please see below the most up to date guidance that has been issued by the government

Students and staff can end self-isolation period after 5 full days Under the new rules, students who are self-isolating with COVID-19 can now end their isolation period after 5 full days.

To do so they must test negative using Lateral Flow Device (LFD) tests on both day 5 and day 6. The first test must be taken no earlier than day 5 and the second must be taken the following day. In order to return to school, your child must also not have a temperature.

Those who are still positive on their LFD tests must stay in isolation until they have had 2 consecutive negative tests taken on separate days or until they have completed 10 full days of self-isolation, whichever is earliest.

All LFD test results should be reported online at: <https://www.gov.uk/report-covid19-result>

If your child has COVID-19 symptoms it remains the case that they should stay at home and self-isolate immediately.

They should take a PCR test as soon as possible. If this PCR test result is positive, they must continue to self-isolate.

You can book a PCR test for your child online.

You can access free LFD tests in a number of ways, including at the local LFD site in your district, by collecting a home LFD kit from a test site, or by ordering online. More information can be found here:
