Term: Autumn Date: Friday 22nd October

Dear Parents/Carers,

Be Ready

May I take this opportunity to thank you for all of your support during my first half term as Head of Academy. It has been great to see so many of you in school again and we look forward to inviting you in again very soon. I feel immensely proud of the staff and children of Lubbins Park this term, who have worked so hard. Both the staff and children deserve to have a wonderful half term break.

Harvest Festival

This week we enjoyed our Harvest Festival assembly, which was led by Rev. Marion. We learnt that we need to share our food so that people in difficult situations do not go hungry.

Thank you for all your donations- you have been very generous.

Secondary School Admissions Process

As you may be aware, the new secondary school admission round opened on 10th September 2021, for parents of current Year 6 children to apply for a secondary school (Year 7) place for September 2022.

The statutory national closing date for applications is **31st October 2021**. Applications can be made online via www.essex.gov.uk/admissions.

All of the application information is available on the website above. **Please ensure that you have logged onto the website and have made an application by the closing date of 31st October 2021.**

Be Safe

Media/Keeping Safe

As you may be aware there is a controversial series currently available online in which 'playground' games are being used to win a substantial amount of money or cost the players their lives.

We have noticed there seems to be an interest in the show by some children at school who have been creating their own versions of the game at break/lunchtimes and there have also been a number of pupils talking about the show.

We understand the show is very graphic and has violent content.

Please be aware that the classification on the show is aged 15, and therefore not recommended for viewing of any child below the classified age.

As a school we will continue to discuss this with the children on an individual basis if these games continued to be played and are communicating to the children that these games are not to be played or the series viewed..

If you would like any advice or guidance with regards to settings in order to keep your child safe from viewing then please do not hesitate to call and liaise with one of our Designated Safeguarding Leads/Wellbeing Department.
