Dear Parents/Carers,

Be Ready

The children have returned to school looking very smart, in full school uniform. They are all eager to learn and have had a great first couple of days with their new class teachers. Thank you for your support in getting the children ready for the new school year.

Please be reminded that trainers are not school uniform. If you are having trouble purchasing school shoes or ties, please contact us to let us know. From Monday, we will be expecting all pupils to be in full school uniform and PE kit. Thank you for your support in this.

Be Respectful

If you have any concerns, please do not hesitate to contact the school office, who will direct your questions to the appropriate member of staff. We will work with you to resolve the problem.

Be Safe

Pupil Collection

Please ensure that if your child is due to be collected by another parent at the end of the day the office has been informed. They will then make sure the class teacher is aware of the end of day arrangements for your child.

No pupil should be taken home by another parent unless this has been prearranged by the parents of the child. Thank you for your co-operation.

Allergies

This is a polite reminder to all Parents/Carers that we have several children who have severe allergies to nuts and nut-based products. In the interests of their wellbeing we have banned all nuts or nut-based products from the school site. Please support this by ensuring that you check the labels of the processed items that you send into school for your child's snack or packed lunch. Thank you.

Wellbeing

We care very much about your child's wellbeing. If you have any concerns about your child, please ensure you contact us, so we can support them in the best way possible.

Wellbeing areas have been set up around the school, to provide the pupils with calm, safe spaces to talk to an adult or reflect.
