Well done to our **Girls' Football Team**, who came **third place** in their football tournament on Wednesday. A fantastic achievement and a great opportunity for the team to demonstrate their teamwork, determination and sporting skills.

This week, we have also started our **new PE topics** across all year groups. These range from developing fundamental movement and sporting skills to learning and practising **netball**.

We have also introduced **10-Minute Movement** at the beginning of every PE lesson. The first ten minutes of each lesson are now dedicated to continuous movement, with children walking or jogging for ten minutes. This is a great way to get everyone active, warm and ready to learn.
