## Memo

Term: Summer Date: Friday 5th September

### Welcome Back Everyone!

We've had a lovely couple of days together, getting back into routine.

This school year, we have introduced Makaton signing. Makaton is an inclusive communication tool.

This week, we have taught the children 'Good morning'. Ask them to show you the sign for this.

#### Wellies

Thank you to those who have already sent your child in with wellies this week. If you have not yet sent them in, please do so next week. The children are only allowed on the field this term if they have wellies to change into.

#### Theo

Theo's next step in school will be spending time in class. We will be introducing him to the Year 6 classroom next week. The children (and Miss Carlton) are very excited about this.

#### Donations

Thank you for the donation of mud kitchen items. The children love playing in there and thoroughly enjoy using the pots and pans to make new creations.

#### Eco council and Anti-bullying ambassadors

Ties have been given out in assembly today. Please keep the ties safe as the children will be required to give them back at the end of the school year.

#### School council

School council will receive their badges by the end of September. Their first meeting will be next week.

#### School clubs

School clubs start next week- please refer to the letter provided.

#### After School club

Please note that there will be no after school club provision on a Friday. We are working hard to resolve this and find a solution. Thank you for being understanding.

We wish you a wonderful weekend with your families.

Mrs Murrell
