Updates from Mrs Murrell

This week has been all about themed days. Thank you for making such a big effort for our **Wear it Wild day**, to acknowledge **Earth Day**. The children and staff looked fantastic. There were giraffes, lady birds, parrots, dogs... you name it! Thank you to the families who have already donated! We have a £500 target to achieve so if you haven't yet donated, please click on the link below to contribute. Donations will be sent straight to the WWF. www.justgiving.com/page/lppa2025 The children completed some wonderful activities, learning about endangered species and how they can help the Earth by living more sustainably. We also saw the arrival of our new recycling bins!

On Wednesday, we celebrated **Saint George's Day** and our **British Values**: Democracy, Tolerance of different faiths and beliefs, Individual Liberty, the Rule of Law and Mutual Respect. The children looked great in their red and white and fully engaged in the day.

Thank you for attending **parents and carers evening** during the last week of term. This was very well attended and we hope it gave you the information you need to support your child's learning and wellbeing. If you did not attend, please do not hesitate to contact us and organise a separate meeting.

This week, we welcomed back Mrs James, who has been on maternity. The children and staff have enjoyed having her back.

Slipper Friday was a huge success! A reminder that slippers need to have backs, enclosed toes and hard soles. A letter with photos has been sent out for reference.
