Our Pupil Leadership Team

My name is **Sophia**, I'm 11 and fortunately I was lucky enough to get my dream role of being **Head Girl**. The one reason I wanted to be Head Girl is because, although this school is spectacular, I want to make sure we can reach our goal of being the best school on Canvey.

Outside of school I love to do all kinds of stuff like, netball, gymnastics and drawing so I will meet everyone expectations.

Hello, my name is **Jayden** and before we start I would like to thank all of you wonderful people for taking the time to read or listen to me today. I was lucky enough to get the extraordinary role of both **Head Boy** and Play Leader. I wanted have the role of Head Boy because I enjoy improving and helping this wonderful school be better than it already is, whether that's with mine or your ideas.

A little about me is that I've had a lot of hobbies and I do mean a lot, Karate, swimming, rugby, athletics, football, cubs and scouts along with a few others.

Hello, my name is **Amelia** and I am **Deputy-Head Girl**. My dream was to be a Head Girl and be on the Leadership Team and I got the role of being Deputy-Head girl. I am also Play Leader and a lot of kids come and play whatever am playing. I am Play Leader on Monday and Thursday.

What I like to do outside of school is I like to read. I'm reading BFG at the moment. I would like to make people feel welcome, intelligent and smart. I know some people love playing football so maybe if I can, I can make sure football is a game so that everyone can play. I can maybe also set up training for people who are struggling to play football. Thanks for listening. Bye

Hello, my name is **Kami** and I have been selected for the roll of **Deputy-Head Boy**. I voluntarily went for Head Boy however this role is still a productive job, which can do many things. I am still pleased I got Deputy-Head Boy. This year I hope to level-up a variety of equipment, activities and pupil leadership. Firstly, I would be committed to upgrading many activities. Football would be first of all by persuading our teachers to have more tournaments in school as well as out of school. Equipment, personally would come next with football goals, badminton nets and maybe a music station.

Outside of school, I adore football and also, I play for a football team. Recently, I went on a snowboarding trip to Bulgaria to help with this skills, I adore skateboarding.

My name is **Bonnie-Lou** I'm **assistant Head-Girl** and I want to make our school fabulous with lots of equipment and fun things at lunchtime. I will also do this as I'm also a Play Leader. If your problems are involving games or anything else I am happy to help. I'm so happy to be part of the Pupil Leadership Team.

Outside of school I like doing dancing and doing jobs for my mum. I've been dancing since I was 2 years old, dancing is my passion. Thank you for listening to me

Secondary School Applications

The new secondary school admission round opened on Thursday, 12 September 2024, for parents of current Year 6 children to apply for a secondary school (Year 7) place for September 2025.

The statutory national closing date for applications is **31 October 2024.**

Applications can be made online on the following link www.essex.gov.uk/admissions. 99% of parents in Essex applied online last year.

All of the application information is available on the website above.

On Thursday, Mrs Murrell had the privilege of taking our school council to The Houses of Parliament. Back in the Summer Term, we entered a ballot and to our surprise, LPPA was selected.

Yesterday, our school council was taught about debating, voting, what goes on inside The Houses of Parliament and about how laws are passed.

Did you know that 'ping pong' features strongly in law making?

We got to watch a live debate, which was being televised on the BBC, in The House of Commons. We then visited The House Lords, which was very grand.

After the tour, we took part in a workshop, which deepened the children's knowledge of The Houses of Parliament and at the end of the workshop, we met Thomas, who works for Rebecca Harris. He was able to answer our questions, many of which were focused on how the government are protecting the environment for future generations.

The children were commended for their exemplary behaviour and how smart they looked. It was such an honour to take them to such a historical place.

Let's hope we get to go again next year, too!

Smile Mile

All the children completed their Smile Mile on Wednesday and the children looked amazing with their yellow accessories.

The last day for sponsorship money to be handed in will be Wednesday 16th October.

Well Done
Everyone!

At Lubbins Park Primary we are committed to safeguarding and promoting the welfare of children, we expect all staff and volunteers to share this commitment.
