Update from Mrs Murrell

Good attendance: the key to success!

Please ensure your child is in every day over the last couple of weeks of term. Holidays should not be taken during this time.

School closure for poling is not the school's decision. This decision is made by the government. Of course, we would rather be open for the children to be learning. Many parents have commented that we promote good attendance and then close for poling. Unfortunately, we cannot opt out of this. We do sincerely apologise for the inconvenience this causes our families.

As we approach the end of term, we begin to plan for the new academic year. This is always an exciting time, full of ideas and inspiration to make the school even better. Your feedback really does count. We have already acted on the feedback provided on the parent survey. Thank you to those that have taken the time to complete this, in a very considered and constructive way. I will of course provide a Q&A to the responses given before the end of term.

If you have still not completed the parent survey, please follow the link below: <https://forms.gle/kMfg6v8MnVohsxd8>

We value your feedback!

Last week, our Year 6 pupils spent the day at their new secondary schools. They went with confidence and enthusiasm (as well as a few nerves) but did our school proud. We were told how polite our pupils were and what a credit they were to the school.

On Tuesday morning, we hosted the EYFS and KS1 sports day. This was a very well attended event. The children were absolutely brilliant and demonstrated competitiveness, kindness, compassion, empathy, ambition. Thank you to the parents that participated in the parent's race and to our wonderful PTA, who provided much needed teas and coffees to keep warm. Hopefully, the KS2 sports day on Monday afternoon will be a little warmer. Thank you to Miss Carlton for organising this event.

On Tuesday evening, it was an honour to present the Canvey Awards to our nominated pupils. Schools across Canvey Island joined together to celebrate these children's achievements this year. Amongst the words used to describe these children were our LPPA values: Loving, Passionate, Proud and Ambitious. I was so proud of them as were their parents.

In order to get 2 football goals donated to the school, Bear Estate Agent are asking for 20 boards to go up outside your home. We still haven't met this target, so please get in touch if you are willing to have a board put up outside your home.

Transition arrangements have been sent out today regarding your child's class teacher for next year. Reception to Year 1 will have additional transition activities planned over the next two weeks. Whole school transition morning is on the 18th July.

As always, have a wonderful weekend with your family.

The following pupils have received the most points in their class this week for Compassion, Independence, Team Work, Perseverance and WOW! Moments.
