Update from Mrs Murrell

Good attendance: the key to success!

We continue to promote good attendance with the pupils at LPPA. Holidays should not be taken during term time as this can equate to lost learning, complicated friendships and lack of team spirit within the class. Every week, a class is rewarded with the best attendance. The winning class gets to play football the following week. The children are loving the competition and enjoying having football as an option again. In Reception, Atti the monkey goes home with the children if their attendance is good. Please continue supporting us with our attendance drive. Holiday dates for next academic year are on the website so please refer to these when booking holidays for 2024-25.

We recently had a child have an allergic reaction to peanuts. Please ensure that you **DO NOT** pack any type of nut-based product in your child's packed lunchbox and check that the ingredients do not contain traces of nuts. As we enter into summer, please also check that the sun creams you buy do not contain nut oils. When preparing food, please ensure that you wash your hands thoroughly before preparing lunchboxes so that any traces of nuts are washed off. Thank you for your support in this matter.

The year 5 and 6 residential trip was a huge success last week. I thoroughly enjoyed my time with the pupils and seeing them conquer their fears. They learnt so many new skills and had some wonderful experiences out on the water. They were positive, full of enthusiasm and so well behaved. They really were a credit to our school and their parents. Thank you to the staff that facilitated the trip- you really did go and above and beyond to make this a memorable experience for our pupils. Have a look at the photos below, which capture some of the action.

On Thursday, the choir represented the school at The Cliff's Pavilion for the Junior Music Festival. They sang their hearts out with lots of other Essex schools and entertained their parents and teachers. You really did do yourselves proud! You looked and sounded amazing- well done! Thank you to all the staff and volunteers involved.

On Friday, we celebrated World Music Day with a whole school music assembly, lead by Mrs James. The children really enjoyed singing together and marking this special day.

Please ensure that if you would like your child to have music lessons with Rock Steady next year, please register them via the letter they sent home with your child before half term.

We are hoping to get new football goals donated by Bear estate agents. We only need 20 families to commit to having a Bear board up outside your home, for 2 months. These will be taken down 2 months after being put up. I am really hoping to get the football goals for the children before the summer holidays, so please send us your details if you are willing to participate in this.

The following pupils have received the most points in their class this week for Compassion, Independence, Team Work, Perseverance and WOW! Moments.
