A message from Mrs Murrell

It has been lovely returning to school this week, after my maternity leave. The children, staff and parents, as always, have been very welcoming.

On Tuesday, Mr Thomas and I ran a crown making workshop with most of the classes. The children were so well behaved and entered into the Coronation spirit with energy and determination to have the best looking crown. The year groups interacted well with each other and our older children really supported our younger children.

On Friday, we celebrated the Coronation in style with a school street party. We hope you enjoy the celebrations of this historic event with your families this weekend.

May I take this opportunity to wish all of our Year 6 pupils Good Luck for their SATs tests next week. They have worked so hard and put in a lot of effort. We will be running a SATs breakfast, free of charge, for all Year 6 children next week. Having done this for many years as a Year 6 teacher myself for a large proportion of my career, I highly recommend sending your child in for this. Adults will be on hand to calm the children and reassure them and have a bit of relaxed fun before the tests begin. Good Luck Year 6!

Have a lovely long weekend with your families.

Be Respectful

STEM evening

Thank you to those that attended the STEM evening, which was organised by Mrs Cawcutt, Mrs Izatt and Mrs Rose. The evening was a huge success and the children, teachers (and parents) had lots of fun engaging in the activities together. My particular favourite was the 'Bird Beak' activity!

We hope to run many more of these events over the next academic year.

Be Safe

We have lots of lost property in school. Please do come and take a look to see if any of it is yours.

Be Respectful
