Message from Mrs Travi

This week, we have celebrated Mental Health Week where the children in KS1 have created some natural art and children in KS2 have created an emotional regulating tool, this means that all pupils have achieved a task from their Personal Passports. As well as this, the children have been learning songs linked to **resilience** and **positive thinking**.

The whole school took part in the **Walk and Talk** event on Wednesday. This week has been a huge success with many children expressing their feelings to their peers and adults in the school, we wish to continue this good practice going forward so please encourage your children to speak up if they have any worries.

Today, KS2 pupils took part in the Lubbins Spelling Bee competition and I am delighted to announce that our winners were: **Sophia B, Kami, Albie, Poppy F and Harper B**

We have recently had an anonymous donation of £1000 from a very kind parent, which we will be using (along with some of the funds from the PTA account) to buy hand-held technology for the pupils to use in classes to support their learning.

Please can I ask all grown ups at home to ensure they are hearing the children read five times per week and sign the home school diary, This then enables the children to earn 5 dojo points each week!

Please can parents ensure that children are staying away from staff cars in the car park.

Have a lovely half term and we look forward to seeing you back to school on Monday 20th February!

Walk and Talk

To raise awareness of mental Health week on Wednesday the children took part in Walk and Talk around the Lubbins Lap talking to other children from different year groups and staff members.

This was a huge success and was enjoyed by everyone.
